Bern, September 2011

## **Order for “Lab Course Modern Physic I and II”**

1. Working hours are Monday to Friday, 8 am to 6 pm during the semester. Outside the semester only after consultation with the course supervisor and the assigned assistant.
2. It is forbidden to work alone in the lab while working with vacuum, lasers, electrical and other tests with increased risk of accident.
3. The working places shall be tidied up every Friday. Tools are to be stored in the cabinets. Aligned experiments may remain on site. Cluttering is to avoid.
4. When leaving the rooms, please make sure that all devices are turned off.
5. Damages and defectives shall be reported immediately to the assigned assistant. The students are liable for any malicious and/or negligent damages.
6. Unsupervised tests shall not be conducted without permission.
7. Items from other rooms and labs shall not be removed without permission.
8. Books which are part of the lab course shall not be removed from the rooms.
9. For security reasons, visitors are not allowed in the rooms.
